Holiday' Is Talk Title

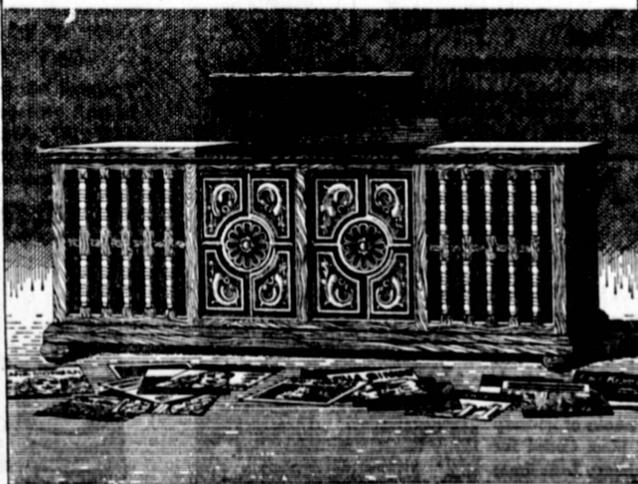

Adventures of a Harbor College faculty member on a sabbatical tour of Europe will be highlighted in the next Harbor Forum pro-

gram Tuesday at 8 p.m. in the College's Seahawk Center. The traveling teacher is Harold Garvin of the politi-

cal science department. With the title "Our Roamin' Holiday," he and his wife Frances, will present a slide lecture of their recent trip with family by camper bus through Europe.

BIG USERS
U. S. servicemen use 355 pounds of fluid milk and cream per man yearly, about 98 pounds more apiece than they did 15 years ago.

We'll give you the music (if you'll buy the stereo).

Da-da-da-da-da... Roll back the rug. We're giving, absolutely free, 25 LP stereo record albums with the purchase of any Packard Bell stereo console.

These aren't "Joe Schmo" albums, either. They're by some of the most famous names in show business, names like David Rose, Count Basie, Ella Fitzgerald, Joni James, and the Ray Charles Singers. Altogether they're valued at \$125.

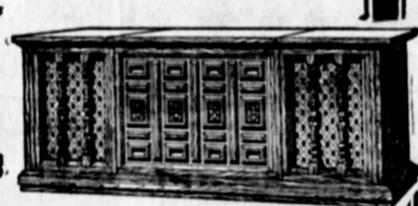

And you'll play these topnotch albums on a topnotch stereo. Because inside each Packard Bell stereo is a wealth of features designed to produce the richest, purest sounds possible. Solid state

circuitry, specially designed sound chambers, AM/FM stereo radio, superb components... and on and on.

We think you'll be able to live with the outside too. Because Packard Bell makes the most beautiful cabinetry in the industry. Hand-joined, hand-finished, hand-rubbed—in all we use 20 separate hand operations.

This offer can only last as long as the supply does. And the supply is limited. So make sure you come in to see us soon. Before the music stops.

Packard Bell. You'll enjoy it, even when it's turned off.
